

Social tagging -> Social classification

Harris Wu

Old Dominion University

hwu@odu.edu

The screenshot shows a Microsoft Internet Explorer browser window titled "Classification page - Microsoft Internet Explorer provided by ODU Computer Science Department". The address bar contains the URL: http://fmcpdev.seven.research.odu.edu/joomla_juna/components/com_classification/placeitem.php?item=1. The main content area displays a classification page for a mask. On the left, there is a "Facets" sidebar with expandable categories: Time_Period, Location, Genre, People(3828), Scene(159), and Events. The main title is "Mask: Entrance, Charles H. Wright Museum of Africa" with a "[help]" link. Below the title is a photograph of a white mask with a black face and a tall, black and gold headdress. The title is repeated below the image: "Title: Mask: Entrance, Charles H. Wright Museum of Africa". Below the title is the source: "Courtesy of <http://www.flickr.com/photos/71288712@N00/361413433>". Below the source is the tag information: "Tags: Michigan; detroit; alabama [add tags]". Below the tags is the location information: "Location => Michigan [100%]". The browser's status bar at the bottom shows "Internet | Protected Mode: Off" and a zoom level of "100%".
